编辑推荐

《时尚专卖店(英文)(套装共2册)》：Nowadays, what brands search for is not just design; they look for the story that truly puts emotion into the communication between products and consumers. Since consumers have been spoiled by various choices, retail store design is highly demanding novel and attractive methods to stimulate the purchasing power. This is a worldwide dynamic and comprehensive collection of forward-thinking proposals. These design agencies let clients benefit from not only functional but what's more, marvelous commercial interior strategies which bring life to the brands. Volume 1 focuses on fashion stores ranging from clothing to bags. Volume 2 presents the design of other retail stores such as bookstore, jewelry store, optical store, health & beauty store, etc. All of those featured display remarkable and inspirational design of current retail interiors, with detailed images and concise description.

精彩短评

- 1、设计图片很好，不过就是里面的文字介绍是英文的！呵呵，英文水平不是很好！
- 2、书包装完整，干净，送货速度快，里面的图片很多，说明是英文的，书还不错，价格稍贵了，用优惠券比较合适
