The conversations and the questions will be spoken only once. After you hear a conversation and the question about it, read the four possible answers on your paper, and decide which one is the best answer to the question you have heard.

1. W. Look at the pretty dog. How cute it is ! M. But look at the price. Id rather have a bird. Q. Where does this conversation probably take place ? (C)

2. W. Why are you in a low mood today ? M. I have just been told that I failed the test. Q. How does the man feel ? (A)

3. W : What seems to be wrong with you, sir ? M. Well, I dont know exactly what it is, but when I move my arm like this, it hurts me much. Q: What is the possible relationship between the two speakers ? (A)

4. M. I wish I had the time to call my parents as often as you do. W. Yes. I really like to keep in touch with my family. Q. What does the woman often do ? (A)

5. M: Excuse me, what time is it now ? W. Its 4:25, but my watch is 5 minutes fast. Q: What time is it actually ? (A)

6. W: Brian, could you handle this suitcase, too? M. How many hands do you think I have ? Q. What does Brian mean ? (B)

7. M. Is the shop really as good as what people say ? W. It used to be even better. Q.. What does the woman think about the shop ? (A)
