内容概要

在线阅读本书

Athens is still fresh and invigorated after its Olympic face-lift: amble between crumbling temples, enjoy a frappe in a characterful Monastiraki cafe, then trawl the shops for traditional sandals and Byzantine rings. Dine at Piraeus for waterfront views or at a rooftop restaurant overlooking the luminous Acropolis. Raise a toast to Dionysus in a friendly barakia or dance until dawn. Your odyssey begins here.

Insider Information - our expert author reveals local secrets and hidden gems.

Sleep Soundly - hand-picked hotels; choose from chic designer rooms, grand palaces and charming family-run pensions.

Dine On Mezedes - our favorite souvlaki joints, old-style taverns and the latest hot spots.

Live It Up - the city's best live music and performance venues, clubs and neighborhood bars.

Navigate The City with our clear, comprehensive fold-out maps, itineraries, and walking tours.
