# 《搁板与储藏柜DIY手册 Shelves & 》

## 内容概要

Filled with tips and techniques for do-it-yourself shelving and storage projects around the home, this book is aimed at the novice home decorator and the experienced enthusiast alike and contains practical advice, step-by-step techniques and problem solving information for making a wide range of shelves and storage units. It includes explanatory diagrams for instant reference and handy guides to tools and equipment. Projects range from freestanding shelving units, cabinets and drawer kits to built-in wardrobes and storage solutions for different rooms. Create handy items such as magazine racks, bookshelves, wine racks, CD racks and storage chests.
