章节摘录

By the early 1960s , the house had made Jordan amillionaire , and by the late 1970s , the house had become amuseum with many streets. More than half a million visitorscame to see it every year , and most went away amazed by what they had seen. "Now , Jim , you have to admit the guy was a genius. I mean , who would have thought of sucha place!" Jim scratched his beard , looked up again at the house , and said at last : "I'll admit he was a different fellowall right. You know he lived with the same woman for fiftyyears , but they never got married." "From the looks of Lt , "replied Tom , "he was too busy to get married."

精彩短评

1、书一到手，就坐在桌前翻阅了一遍。

发现了一个问题：

话题听力的顺序是：前言+听力策略+目录+正文

话题读写（高二分册）的顺序是：前言+阅读教与学的策略+目录+正文

话题读写（高一分册）的顺序是：目录+前言+阅读教与学的策略+正文

很奇怪啊？

装订错了？又不像啊！

2、实用，不错！但是价格有点贵。
