内容概要

The leading text for the Adolescence Psychology course, Adolescence 8th edition is the most accurate and up to date text available. Applauded by adopters as eloquently written and intelligently presented, this text bears John Santrock's trademark balance of accurate, current content for faculty and effective pedagogy for students. Included in this new edition are the most cutting edge research available and thoroughly integrated coverage of culture, ethnicity and gender, and school-related issues. For students, Santrock's student-celebrated pedagogical system has been enhanced to better help students see how the course material fits together. --This text refers to an out of print or unavailable edition of this title.

作者简介：John W. Santrock received his Ph.D. from the College of Education and Human Development at the University of Minnesota. He taught at the University of Charleston and the University of Georgia before joining the faculty at the University of Texas at Dallas. He has worked as a school psychologist and currently teaches developmental psychology and educational psychology at both the undergraduate and graduate levels and introductory psychology at the undergraduate level. Dr. Santrock's research on father custody is widely cited and used in expert witness testimony to promote flexibility and alternative considerations in custody disputes. His research has included publication in the Journal of Educational Psychology that focus on the contextual aspects of affectively-toned cognition and children's self-regulatory behavior as well as teachers' perceptions of children from divorced families. He recently was a member of the editorial board of Developmental Psychology and his publications include these exceptional McGraw-Hill texts: CHILD DEVELOPMENT, Eighth Edition; LIFE-SPAN DEVELOPMENT, Seventh Edition; CHILDREN, Sixth Edition; PSYCHOLOGY, Sixth Edition; and EDUCATIONAL PSYCHOLOGY. --This text refers to an out of print or unavailable edition of this title.
