《泰式菜谱Thai》

内容概要

Thai food is a vibrant cuisine, famed for its sharp, fresh flavours. Bursting with variety, its dishes may be chilli hot, zesty with lime, or creamy with coconut. The diverse choices that Thai cooking offer are due to the regions of Thailand offering different methods of cooking and types of dishes according to their climate, history and culture. This book will introduce you to all these exciting styles. From pad thai to pork dumplings, monkfish kebabs to hot and sour soup, there are 38 recipes to awaken your palate and let you begin to master the secrets of creating great-tasting Thai-style food. Thai is part of a series of books designed to let you discover the wonderfully diverse cuisines of the world. Each title features classic and contemporary recipes that can be made with ingredients that are readily available, offering you the chance to bring to your table tastes and culinary traditions enjoyed around the globe.
