《巧克力CHOCOLATE》

内容概要

Fantasic Brain Games is packed with a wide-range of full-colour puzzles and intellectual tests。 Many of the puzzle entries come complete with a fascinating fact or item of trivia from the fields of arts , history and science , as well as an accompanying quote from some of the greatest minds from history。 SO in the pages ahead , tackle the puzzles , study the facts and be inspired by the words of wisdom。 This is a fun and enjoyable way to put your brain through its paces... “ You know you ’ ve got to exercise your brain , just like your muscles。 ” Will Rogers
