《Davidson内科学原理与实践，》

内容概要

The latest 20th Edition of Davidson's Principles & Practice of Medicine won the award for a New Edition of an Edited Textbook at the Royal Society of Medicine and Society of Authors 2007 Medical Book Awards. The award citation described the book as "Beautifully constructed with superb clarity of style - Davidson's continues to provide for students, doctors and other health professionals a sound basis for the practice of medicine."
