《Turkish: Lonely Plan》

内容概要

You wipe the dust from a bejewelled bottle and a djinn appears in a cloud of smoke. Three wishes, but of course it only takes one – “ I want to speak Turkish. ” In a flash, this phrasebook ’ s in your hand and the words come tumbling out ... ?ok tesekk ü r ederim. Contains a comprehensive food section, etiquette & cultural tips, and an easy-to-use pronunciation guide. Sections include phrases for finding accommodation & for hitting the town, useful suggestions for health needs & emergencies, an extensive two-way dictionary and a user-friendly sentence builder.
