《摩洛哥室内设计Great Age Bri》

内容概要

A temptation to dream This book explores contemporary interiors in the sun-soaked land that stretches from the Sahara to the Mediterranean: Morocco. The diversity is breathtaking: the rural pis? architecture of the south is a far cry from the Hispano-Mooresque ornamental beauty of the imperial cities. Moroccan Interiors are as endlessly varied as the country itself, from the restored palaces in the medina of Marrakesh (where aesthetes of the international set now live) to humble troglodyte fishermen's homes at Sidi Moussa d?Aglou. The colorful palette of this country and the light there themselves suffuse these very different homes with a vitality that is as distinctive to modern Morocco as it is a reflection of contemporary trends in d?cor worldwide. The author: Lisa Lovatt-Smith was born in 1967 in Barcelona of British parents. She has since lived in London, Madrid and Milan. At eighteen she began a meteoric career at the various international editions of Vogue. She has since decided to concentrate on writing in Paris, her chosen home, where she lives with her daughter.

《摩洛哥室内设计Great Age Bri》

精彩短评

1、和我认为的摩洛哥风格有些区别.照片资料不够丰富,同时又室内和室外的图片.但是,注解比较详尽,同时又三国的语言,有英文,没有中文.由于,气候文化和国内差异比较大,所以可借鉴的东西并不多,仅作为拓展视野,加强储备的用处.
