《The Horseman on the Roof》

内容概要

Perhaps no other of his novels better reveals Giono's perfect balance between lyricism and narrative, description and characterization, the epic and the particular, than *The Horseman on the Roof*. This novel, which Giono began writing in 1934 and which was published in 1951, expanded and solidified his reputation as one of Europe's most important writers.

This is a novel of adventure, a roman courtois, that tells the story of Angelo, a nobleman who has been forced to leave Italy because of a duel, and is returning to his homeland by way of Provence. But that region is in the grip of a cholera epidemic, travelers are being imprisoned behind barricades, and exposure to the disease is almost certain.

Angelo's escapades, adventures, and heroic self-sacrifice in this hot, hallucinatory landscape, among corpses, criminals and rioting townspeople, share this epic tale.
