《WILLIAM AND HARRY 威廉》

内容概要

William and Harry is a fascinating insight into the lives and loves of two extraordinary young men who have captured not only the hearts and minds of the British public, but those the world over. This is the definitive book about the Princes, bringing the story right up to date. It is the tale of two brothers who have carried the legacy of their mother, Diana, Princess of Wales, into the twenty-first century and on whom the future of the House of Windsor largely depends. Drawing on her unique set of contacts Katie Nicholl recounts the royal brothers extraordinary lives and reveals William and Harry's real characters as they become front line soldiers and modern princes. Over her eight years as a journalist, Katie has gained the trust of some of those closest to the princes' inner circle enabling her to break scoop after scoop in her column. But she has kept the true story for this revealing dual biography. Through her network of sources and insiders at the Palace, some of whom have agreed to speak for the very first time, Katie lifts the lid on one of Prince William's earliest romances, and his struggle with his destiny as a future King of England. As a royal wedding between Prince William and Kate Middleton seems more probable, Katie has spoken to close sources who reveal how their love affair really started at St Andrews, the hurdles the pair overcame and the challenges they still face. She recounts the inside story of Harry's time at Eton and his three months on the frontline in Afghanistan. She analyses William and Harry's complex relationship with their father, and the woman who will one day become Queen Camilla. She talks to their friends, contemporaries and confidants to paint a unique and revealing portrait of the two most famous brothers in the world.

《WILLIAM AND HARRY 威廉》

书籍目录
