《Fundamentals of Corp》

内容概要

With this new book, you will have access to a book-specific Website, the S&P Educational Version of Market Insight, and a Student CD-ROM. Together, they offer you new ways to reinforce concepts and gauge how well you're grasping material from the text. You can count on this free CD-ROM to tell you if you're ready for exams. For each chapter, it offers 100 true/false and multiple-choice questions to gauge how well you're grasping the material. A random problem generator gives you access to an infinite number of mathematical problems that let you test yourself on key formulas found throughout the book.

《Fundamentals of Corp》

精彩短评

- 1、比较详细的介绍管理财务的知识
- 2、入门的好书。正好是我要读的专业的书的前部，就算作courseintroduction了，挺好的
