《我爱爸爸/I Love My Dadd》

内容概要

"I love my daddy because he takes naps with me." This beloved, best-selling concept book, richly illustrated by Ashley Wolff, is now available as a board book for small hands. The youngest nursery tots will appreciate how phrases and actions from their own experiences also apply to animal babies. Each book begins with an affectionate scene between a human parent and child, but moves on to caregiving in animal families. "She listens when I talk" shows a mama cat and her mewling kitten. "She tucks me in" features a kangaroo with her joey peeking out of her pouch. "He sings me songs" shows a gray wolf and his cub. In concept, text, and art, these are among the most warm and reassuring lap books ever. "I Love My Daddy Because" . . . will also be available in bilingual (English/Spanish) board-book editions.
