《澳大利亚护理词典》

内容概要

The third edition of this best-selling dictionary introduces a new author team, Dr Rhonda Hawley and Jennie King, both from the Department of Clinical Nursing at the University of Sydney. With over 5500 terms, the Australian Nurses' Dictionary has been updated to reflect the: most current guidelines, terminology, policies and procedures, while retaining its ' user-friendly style and compact size. it is suitable for students studying and practising nursing at all levels, from Certificate III through to the clinical setting.
