

《腰椎磁共振影像》

图书基本信息

书名：《腰椎磁共振影像》

13位ISBN编号：9781588901378

10位ISBN编号：1588901378

出版时间：2002-10

出版社：Thieme (2003年1月1日)

作者：Juergen Kraemer

页数：202

版权说明：本站所提供下载的PDF图书仅提供预览和简介以及在线试读，请支持正版图书。

《腰椎磁共振影像》

内容概要

St. Josef Hospital, Bochum, Germany. Atlas is a translation of the German text, MRT-Atlas der Lendenwirbelsaule, c2001. Contains abundant images of common conditions to rare abnormalities and a chapter on performing CT-guided injections at the lumbar level.

书籍目录

1 Pathological Anatomy, Diagnosis, and Treatment	1.1 Clinical Terms	1.2 Pathoanatomic Terms	1.3 Protrusion and Extrusion	1.3.1 Pathology	1.3.2 Therapy	1.3.3 Prognosis	1.4 Classification of the Lumbar Motion Segments	1.4.1 Coronal View (A-P Projection)	1.4.2 Zones	1.4.3 Coronal View with Nerve Roots	1.4.4 Lateral View	1.4.5 Axial View	1.5 Variations in the Number of Vertebrae and Transitional Vertebrae	1.6 Therapeutic Concepts	1.6.1 Introduction	1.6.2 Paravertebral Injections	1.6.2.1 Definition	1.6.2.2 Indikations	1.6.2.3 Indications for the Use of Imaging Modalities	1.6.2.4 CT-Guided Perineural Injection Technique	1.6.3 Percutaneous Intradiskal Procedures	1.6.4 Surgical Procedures	1.7 Nerve Root Syndromes	L1 and L2-Syndrome	L3 Syndrome	L4 Syndrome	L5 Syndrome	SI Syndrome	S1 through S5 Syndrome	Segment-Specific Syndromes	L1 through L3	Segment L3-4	Segment L4-5	Segment LS-S1	Syndromes Involving Two or More Segments	1.8 Synovial Cysts (Ganglia)	Pathogenesis	Clinical Presentation	Treatment	1.9 Spinal Stenosis	Classification	Degenerative (Secondary) Spinal Stenosis	Pathoanatomy of Degenerative (Secondary) Spinal Stenosis and Surgical Strategy	Pseudospondylolisthesis	Clinical Presentation and Surgical Strategy	1.10 Diagnostic Imaging Studies in Lumbar Disk Extrusion and Spinal Stenosis	Plain Radiography of the Lumbar Spine	Myelography	Computed Tomography	Magnetic Resonance Imaging (MRI)	Evaluation	2 Case Studies	Case Study 1: Normal Findings	Case Study 2: Monosegmental Degenerative Disk Disease	Case Study 3: Protrusions in Segmental Degenerative Disk Disease	Case Study 4: L5-S1, Protrusion or Extrusion	Case Study 5: L5-S1, Protrusion and Extrusion	Case Study 6: LS-S1, Extrusion at the Disk Level	Case Study 7: L5-S1, Extrusion at the Disk Level	Case Study 8: L5-S1, Extrusion at the Disk Level	Case Study 9: L5-S1, Extrusion at the Disk Level	Case Study 10: L5-S1, Extrusion with Supradiskal Extension	Case Study 11: L5-S1, Extrusion with Supradiskal Extension Associated with Spondylolisthesis	Case Study 12: L5-S1, Extrusion with Infradiskal Extension.....	Index
