《中级英语教程（练习册）》

前言

我省的组织人事工作要为实现江泽民总书记提出的“增创新优势，更上一层楼”的总体思路和战略目标服务，要为实现省委、省政府的决策，加快社会主义现代化建设作出新贡献。这就迫切需要建设一支适应现代化建设和未来发展需要的高素质干部队伍。而干部素质的提高，一个非常主要的方面是加强学习培训，使干部掌握各方面有用的知识和技能。省委组织部和省人事厅在全省组织开展干部外语培训，是我省人力资源开发的重要环节，是实施“科教兴粤”、“外向带动”和“可持续发展”战略的关键措施，应该精心组织，认真落实，确保质量。改革开放以来，我省坚持对外开放、引进先进技术和管理经验，发展外向型经济，不仅使整体经济登上新台阶，而且使人们日益认识到学好外语的重要性和紧迫性。普及和提高外语教育，是扩大对外开放，加强国际交流与合作的需要，是全球经济一体化趋势的必然要求，我们只有熟练地掌握外语，才能快速获取更多、更新、更尖端的知识，才能更快地了解国际经济、科技发展的新趋势，准确地掌握参与国际竞争的规程、方法。

章节摘录

插图：I didn't get a buzz, because I didn't inhale, but just the fact I was actually smoking made me think I was cool. But my friend Donna didn't think so. She just looked at me like I was the stupidest thing on earth, which I probably was, because I still smoke to this day. I've tried to quit, but it's very hard since most of my friends smoke too. When I started smoking regularly at the beginning of sixth grade, not that many students smoked; by the end of the year, a lot were smoking. It was pretty bad. Some kids' grades went down, including mine, from skipping classes to get nicotine into their systems. Now, in ninth grade, I'm still smoking. My parents often ask, "Where do you buy cigarettes?" I buy them anywhere. Hardly any one ever asks me for ID. Maybe I look 18, maybe I just put another \$2.50 in the cash register. The Safeway down the street won't sell me cigarettes. Last time I went there, I stole four packs, got caught, and had to write an essay on why stealing is wrong. About five months after I started cigarettes, I began smoking marijuana. There's no doubt in my mind that cigarettes are a gateway to drug. Almost everyone I know started smoking before doing drugs. That has to tell you something.
