# 《经典摩托车 Classic Moto》

## 内容概要

Classic Motorbikes-a fascinating collection of the greatest machines in two-wheeled history. More than 150 examples of motorcycling's finest models are celebrated in these pages, with detailed analysis, performance specifications and spectacular full-colour photography. Bikes featured include pioneers from the early 20th century, legendary British classics, mighty American-built V-twins, exotic Italian sports machines and sophisticated Japanese superbikes - and many more.

# 《经典摩托车 Classic Moto》

## 作者简介

Motorcycle journalist Roland Brown has spent the last 25 years testing bikes ranging from early classics to the latest superbikes and MotoGP racers. He was deputy editor of Bike magazine before turning freelance in 1989, and currently writes about motorcycles for a variety of publications including magazines in more than 20 countries. He raced bikes at international level, and has owned numerous classic bikes, some of which even worked! He lives in Hertfordshire with his wife Jane and their four children. This is his tenth book about motorcycles.

## 精彩短评

1、买来送给“领导”的。呵呵。希望掏到他的欢心。
