## 内容概要

Why leave your favourite dictionary behind when you use your computer? Take it with you, when you buy this special pack. This pack contains a major learner's dictionary (the best-selling Cambridge International Dictionary of English) together with a CD-ROM version of the dictionary, updated for 2000, and all at a price you can still afford. The dictionary offers over 50,000 definitions and over 100,000 examples to show all the English that an advanced learner needs. The CD-ROM has all this, plus: - Hundreds of new words that have come into English recently - Sound recordings to show the correct pronunciation - Easy links to your other computer programs - Advanced search facilities (e.g. find groups of related words or words that are used in one field) - Exercises to help you learn faster.
