

《机电专业英语》

图书基本信息

书名：《机电专业英语》

13位ISBN编号：9787563514557

10位ISBN编号：7563514554

出版时间：2007-6

出版社：北京邮电大学出版社

作者：崔静波

页数：135

版权说明：本站所提供下载的PDF图书仅提供预览和简介以及在线试读，请支持正版图书。

书籍目录

Unit 1 Fundamentals of Machine Manufacturing
Dialogue Making Introductions
Text 1 What Is Manufacturing?
Text 2 Metals and Their Properties
Grammar Characteristics of Scientific English (1)
Reading Material Mechanism
Unit 2 Machine Tools
Dialogue Making Requests
Text 1 The Lathe
Text 2 Milling Machine and Planer
Grammar Characteristics of Scientific English (2)
Reading Material Control of Horizontal Milling Machines
Unit 3 Machining Technology
Dialogue Shopping
Text 1 Fundamentals of Chip-type Machining Process
Text 2 Cutting Tools
Grammar Usage of "It"
Reading Material Machine Tool Motions
Unit 4 CNC System
Dialogue Asking the Way
Text 1 Automatical Control of Machining Tool Movements
Text 2 An Overview of a CNC System
Grammar The Attributive Clause (1)
Reading Material Servomechanisms
Unit 5 NC Programming
Dialogue Expressing likes and Dislikes
Text 1 The Cartesian Coordinate System
Text 2 Preparatory Codes and Miscellaneous Codes
Grammar The Attributive Clause (2)
Reading Material Word Address Format
Unit 6 NC Machine Operation and Safety
Dialogue Expressing Worry
Text 1 FANUC Series 15M Operator s Manual
Text 2 The Keyboard Explanation of CNC Lathe
Grammar The Attributive Clause (3)
Reading Material Safety Rules for Operating Machines and Programmers
Unit 7 Maintenance and Troubleshooting of CNC Machine
Dialogue Inquiring the Phone Number
Text 1 Maintenance for a Horizontal MC
Text 2 Troubleshooting
Grammar The Attributive Clause (4)
Reading Material Employment Opportunities in Numerical Control
Unit 8 Computers in Manufacturing
Dialogue Expressing Certainty
Text 1 CAD versus CAM

《机电专业英语》

Text 2 Computer Integrated Manufacturing (CIM)

Grammar Gerund

Reading Material Operational Strategies within CIM

Unit 9 Advanced Manufacturing Technology (1)

Dialogue Birthday Party

Text 1 Flexible Manufacturing System

Text 2 Machining Cells

Grammar Participle

Reading Material Machining Center and Tool Changes

Unit 10 Advanced Manufacturing Technology (2)

Dialogue Dining

Text 1 What is " Mechatronics" ?

Text 2 Future Factory--a Reality

Grammar Infinitive

Reading Material What Is Robot?

Appendix

Key to Exercises

Vocabulary

英文机械图样用语
