《《高中英语写作》》

内容概要

《高中英语写作:书面表达辅导用书(2)》是为了满足北京市高中学生英语学习的需要而系统地编写的一套写作教材。在编写过程中,我们注意吸收了国内外一些英语写作教学流派的长处,以功能交际法为主线,吸收了结构教学法的可取因素,在训练设计上采取了过程教学法的主要手段,力求全面培养学生的理解、分析与书面表达能力。

《高中英语写作——书面表达》一书以重点高中、普通高中、职业高中的学生为直接对象,循序渐进地介绍了几种主要文体形式(叙事文、描写文、应用文及说明文),并针对学生的薄弱环节附加了语法方面的训练。

章节摘录

Before we started the tour, the writer announced: "We are going to visit the Lincoln Memorial." When our car stopped in front of it, we saw the monument on a high terrace and wide stairs leading up to the entrance. We climbed the stairs and walked inside the building. There we saw that the inside is divided into three sections. The rooms on the left and on the right are separated from the center section by a row of columns. Walking around the left and right rooms, we read two of Lincoln's famous speeches on the walls. The center section is open to the front of the monument. Here we saw a large statue of Lincoln, seated in a chair facing the entrance.

Exercise B

1. This new department store, which was completed a month ago, is located in the center of the old city.
2. In front of the building, there is an open area where customers can park their cars.
3. People who feel hungry early go to the top floor to have some fast-food.
4. Some people who come for a short rest like to sit by the windows and get a birds-eye view of the city.
